Subject: Hull draft Administrative Order on Consent
Attachments: Hull CMOM AOC 2-1-16 draft.docx

Mr. Dow,

Attached is a copy of a draft Administrative Order on Consent. As I alluded to in my 11/16/15 email, EPA is interested in developing an Order on Consent with the Town of Hull in response to our concerns regarding Capacity Management, Operation and Maintenance (CMOM) at the Hull wastewater treatment plant and in its collection system. An Order on Consent, or AOC, is signed by both parties, as opposed to an Administrative Order, which is a unilateral order from EPA.

After you have an opportunity to review the draft Order, please give me a call, or we can meet, to discuss next steps, questions and potential revisions to a final AOC.
